No.2160 dated 16th October, 1912.

Sir,

I have the honour to inform you that nearly 1,500 labourers are housed on the North Bank of the Cauvery River for working on the Cauvery Reservoir Works. A shandy for facility in getting provisions for these people and also for the officials and officers stationed on that bank is found necessary as the river will not be fordable for several months in the year and communications between the two banks will be cut off during the monsoons. Enclosed is a site plan showing the place where the shandy is proposed to be held. The Revenue Sub Division Officer at French Rocks promises to send merchants from French Rocks to the Shandy.

I request that you will be so kind as to obtain sanction of the Government to the shandy being held every Sunday on the North Bank of the river. The one now being held on the South Bank will serve for the staff and labour on that bank.

I have the honour to be,

S i r.

Your most obedient servant,
